

Creating and Making

Lesson 2:

Intended year level: Year 4

VELS standards: They select and combine a range of arts elements, principles and/or conventions, and use a range of skills, techniques and processes, materials and equipment. They show evidence of planning and identify techniques and features of other people's works that inform their own arts making. They refine their work in response to feedback and self-evaluation

Resources: Paper, coloured paper, paint brushes, Styrofoam balls, thin wire, wool, masking tape, scissors, clothes hanger, hot glue gun, buttons, fabric and a hole punch.

Activity: Students will create their own mobile after researching Alexander Calder's range of artworks. Students will demonstrate an understanding of Calder's Mobile by creating their own individual mobiles and using their skills, techniques and imagination.

Assessment: Students will be assessed on their mobiles ability to hang evenly, have a range of shapes and figures and move in the wind. This will be a peer-reviewed assessment.
